

Advanced course in Drama and Performance for Professional Theatre

Thursday 16th August to Saturday 25th August 2018

To apply to audition please contact: rhiannon@malvern-theatres.co.uk or phone 01684 580943

Auditions will take place in June & July.

APPLICATIONS WILL CLOSE ON 10th June 2018

About this course

This innovative new course will be led by **successful industry professionals and performers**. The course will offer a unique and intensive approach, covering techniques to supplement young people's development and training as a professional, supporting them in their future career.

Applications are welcome from those aged **16yrs+** who want to pursue a career in theatre. We are looking for enthusiastic and motivated individuals who are prepared to devote their energies and enthusiasm to the study and development of their performance skills.

Cost £250.

Admission to the course will be via an audition process.

Why choose this course?

- A fantastic opportunity to work and train in our professional theatre space
- Study a diversity of skills and techniques
- Work with industry professionals and renowned guest teachers

Course content

This course will provide an excellent opportunity for students who wish to further their knowledge of theatre and performance skills. It is perfectly targeted at those who are looking to apply to Drama Schools.

This rigorous and intensive course will offer training in acting, direction, voice, movement and musical theatre; it will also offer specialised sessions which will focus on audition technique, stage production and stage combat. All participants will also have the experience of a professional photography headshot session and will take home their own professional digital image.
